Once for ALL

Art, Quality and Lifestyle

... A glance that puts our legacy under the spotlight.

A legacy built by talented professionals, endless thirst for evolution and an exquisite ability to deliver on our promises and outer perform, exceeding clients expectations, time after time.

the OMPANY

Established in 1959 in the heart of Saudi Arabia, Adada&Kabbani Co is the oldest name in the kitchen and joinery industry. Banking on decades of family heritage, we have followed the footsteps of our great founder.

Adada&Kabbani Co is a dynamic and innovative company with an unwavering commitment to using its vast technical and industrial knowhow to achieve complete customer satisfaction.

With a focus on achieving our ambitious goals and pursuing our ambitious plans, Adada&Kabbani Co team works closely with designers and architects of international repute to offer all types of custom-made solutions for personalized working environments, in addition to our standard products.

MISSION & Goals

Always eager to satisfy, we at Adada&Kabbani strive to provide our clients with a variety of kitchen design solutions and quality products.

Modern, timeless & with wide-ranging appeal, our collections range from modern to classical **designs** and take into consideration the differences of each and everyone's **lifestyle**.

Our goal is to provide exceptional ${\it Quality}$ and professional services that preserve our ${\it Legacy}$ while embracing the future.

Mat Me Do

We provide discerning home owners and commercial industries with the finest custom kitchens and cabinetry available. Depending on your specific taste and needs, can offer you many possibilities to maximize you storage and enhance the value of your home or institution.

New designs and elements are constantly developed by our talented in-house designers to bring innovation to the various styles of Kitchens and cabinetry. Each product line was given its own particular character, enhanced by striking design elements, distinguished finishing materials and durable accessories through the Research & Development Engineering Division, dedicated to study the fashion trends and to put the company into the front line.

We are always on the lookout for new trends affecting the world of kitchens and related technologies. Our qualified manpower is able to meet the market challenges and cope with ever changing requirements of both the upper and medium segments.

We offer a wide range of products that satisfy different tastes, from classic to modern up to the tailor-made design; our wide experience and thorough technological knowhow allows us to develop the most exclusive projects for the most demanding clients.

Growth& Development

Adada&Kabbani Co. is continuously studying the market to stay aware of the ever-changing and ever-growing demands from high-end and commercial market segments across Saudi Arabia; as such, the company is constantly going the extra mile to meet the market's ever changing needs.

Throughout the past years, Adada&Kabbani Co. has succeeded in developing their brand name, becoming the number one brand in the market.

A new generation of tailor-made high-end kitchens and cabinetry conceived to cater to the needs of bespoke consumers with a refined taste for luxurious products.

A new kitchen and design smart solution, made to answer the growing market need of the segment that seeks high value of product, quality and value for money.

A new line of wardrobe and walk-in closets, conceived, executed and delivered to fit the modern, innovative lifestyle and offers a spacious dressing room and convenient storage space.

the FOUNDER Mr. Mahmoud Adada

· Corns

Born in Beirut the capital city of Lebanon in 1930, Mahmound Adada finished his college degree at Makassed School, Beirut. In 1952 he moved to Saudi Arabia looking for the better business opportunity where he built his own business and performed well for 45 years.

After continuous efforts, hard work and struggle to convert an establishment to a company, he is now proud to witness the continuous growth of the company into becoming the pioneer in the Kitchen industry.

the CHAIRMAN Sheikh Isam Kabbani

With a 50 years of practical experience, Sheikh Issam Kabbani is well aware of the advantages of focus. Therefore, the IKK Group of Companies holds under its umbrella dozens of independent companies.

He wanted to share the historical background of the company, where it stands now and what he wants to achieve in the future; because as a matter of fact when people know the strategic objective of their higher management which is always thinking ahead, they will work better and achieve more.

• our I COINS

CHIEF EXECUTIVE OFFICER

Adada&Kabbani Co. proven methodology is to understand our clients' objectives, identify their needs and offer them the right solution and support over the long term. What guides us is the will and pragmatism to continue our over-four decades of success and improve it.

Adada&Kabbani Co. represents a creative force through knowledge capital, advice, resources, and customized & innovative solutions for which the basis is the satisfaction of our customers and the creation of corporate values that we enable in a customer-supplier relationship.

In a world where market needs and customers' appreciation evolves, we never stay still.

Yahya Adada

SALES & MARKETING DIRECTOR

When you choose your pathway as a second generation to continue your legacy you never think what are the risks and challenges facing your way, for me during the past 28 Years, I put myself into an everyday challenge to make Adada&Kabbani Co. as the Pioneer Kitchen Brand in the Saudi Market without risking my client's satisfaction.

However, despite being proud in positioning Adada&Kabbani Co. as the first homemade kitchen, my dreams will never cease to grow yet.

Tarek Adada

HISTORY TIMELINE

Anatomy Capacity & Strength

adada bania di manufacturer

Adada&Kabbani Co. is one of largest manufacturer of fitted kitchens and cabinets in the Kingdom of Saudi Arabia. In addition to its headquarters in Jeddah, the company has its own production facilities and showrooms all around the kingdom. From small scale carpentry the day it started, today the company counts more than 340 employees within its manpower.

Quality, design and innovation are just our main target therefore we have developed a company structure that can assure the best service to our clients. From our main management department to our production factory to our outstand showrooms, we have gained a high level of brand recognition and sympathy due to our long tradition and commitment to excellence.

Chief Executive Officer

ORGANIZATION CHART

ORGANIZATION CHART OF PERSONNEL ON PROJECT DIVISION

Quality Management System

Adada&Kabbani Co. is committed to customer satisfaction and continuous improvement. Every employee at **Adada&Kabbani Co.** understands the company's mission, vision and values, and their responsibilities in fulfilling its quality metrics as defined in its "Quality System".

The Company's quality steering team includes the General Manager, the Sales & Marketing Director, the Financial Manager, the Manufacturing Manager, the R&D Manager, the Purchasing & Material Manager, the IT Manager and the QA/QC Manager. Under the supervision of the General Manager, that team ensures that the company's Quality Policy is fulfilling its purpose, complying with the requirements and continually improving the effectiveness of its QMS, adequately communicated and understood within the company, and reviewed periodically for sustainability.

FACTORY

Developed and implemented in the industrial area of Makkah, Saudi Arabia, the factory covers an area of 12,000 SQM. This is where the heart of our production beats; the perfect interplay between modern machines and traditional handicraft. For us each product line is a masterpiece; perfectly planned and manufactured to the highest standards.

Factory Facilities & Capacity

Factory: 9,216 SQM

Kitchen Cabinets

Specialized in Kitchen designs and woodwork, **Adada&Kabbani** provides you with a full range of more than 30 kitchen models. In addition to that, we can custom-make all types of kitchen cabinets.

Closets & Wooden Cabinetries

Bedroom closets and wooden cabinetry for your home, offices, hotels, restaurants and any other space can be designed and produced in our factory.

Metal Case Work for Laboratories

Our laboratory furniture includes base and wall cabinets in steel, wood, or plastic, laminated over a wood core. Each type offers a wide variety of cabinet sizes and interior configurations.

Stainless Steel Industrial Kitchens

Our industrial kitchens are especially designed for hotels, restaurants and hospitals and manufactured according to the highest quality, international standards.

Nurse Stations Reception Counters & Other Joinery

At Adada&Kabbani nurses' stations, health care and public facility reception stations are all designed to help you navigate them freely and conveniently. Cabinets are designed for combining computer equipment, telephones, and patient monitoring devices in an efficient and organized work station. All components can be customized to support your specific technology, work process, and staffing needs. They combine the proven flexibility, comfort, and durability of our products.

Adada&Kabbani's philosophy goes far beyond the outstanding level of high-end showrooms; the first showrooms to built and created according to international, worldwide standards in the market.

Mr. Tarek Adada ADADA & KABBANI COMPANY Fax No. +966 2 663 7486 E-Mail: Tarek@adada-kabbani.com

Dear Mr. Adada,

On behalf of Emaar the Economic City; I would like to congratulate you on the success and the extraordinary effort extended by your esteemed organization to facilitate King Abdullah Economic City's preparations to host the 27th InterAction Council meeting.

I would also like to express our deepest gratitude for the tireless efforts made by the members of Adada & Kabbani Company to facilitate the tasks of Emaar the Economic City's employees in the management of the event, and the services provided for the guests and organizers which had the greatest impact on the success of the event.

Wish you and all the Adada & Kabbani Company members success and prosperity.

Yours sincerely,

Fahd A. Al-Rasheed CEO & Member of the Board

القنصلية العامة اللبنانية جدة جدة في ١١ كانون الاول ٢٠١٤

حضرة السيد طارق عضاضة الموقر ،

بعد التحية و السلام،

إن مساعداتكم الدائمة والكريمة التي تقدمتم بها لاستكمال مشروع بناء قنصلية لبنان العامة في جدة لها وقع عميق و مؤثر في نفسي . أود أن أتقدم منكم ، بإسمي الشخصي و نيابة عن مجلسس الأعمال اللبناني في جدة و الجالية اللبنانية ، بأصدق أيات الشكر و الإمتنان معبراً لكم عن مدى التقدير لدعمكم المتمثل بتقديمكم خزائن المطابخ و غرف الغسيل لهذا المشروع الذي نخططله أن يكون مركز فخي و اعتزاز لأبناء الجالية اللبنانية في جدة و نقطة تلاق و مركزاً لجميع النشاطات التي سترفع ، بدعمكم و مؤازرتكم، مكانة اللبنانيين و ستعزز حضور قنصليتكم العامة على الصعد كافة.

أدامكم الله لنا داعماً و مسانداً و مساعداً و رعى الله لبنان و منتشريه و أنتم، في طليعتهم، الذين يرفعون اسمه و علمه و أرزه عالياً.

مع خالص تحیاتی و عمیق مودتی،

قنصل عام لبنان * في الله على La Sensulat General du Playarmo de Sarabia Lavudite Geneve

السادة/ شركة عضاضة وقباني

السلام عليكم ورحمة الله ويركانه،،،

يسرنا أن نقدم لكم خالص الشكر والتقدير للعمل المتميز الذي قام به العاملين في شركتكم خاصة السيد/ عبد الجليل واسوسي، بالتعاون مع كل من السيد/ محمد صديق والسيد/ ريناتو هالوس، والذين قاموا بتركيب المطابئ في دار سكن القلصل العام بجنيف. حيث كان عملهم على مستوى عال من التقنية والخبرة إلى جانب التزامهم بالعمل وانتظامهم في إطار من روح التعاون المتبادل.

تقضلوا بقبول أطيب تحياتي،،،

القنصل العام المصالح نبيل بن مكمد أل صالح
